Hello! My name is Abisola, I am currently a sophomore at **Wilde Lake High School** and it would be an honor to serve as your next Student Member of the Board. The role of the SMOB holds tremendous weight; the person in the position embodies the great aspects of **student voice**. If elected as SMOB, I plan to advocate for positive changes in favor of the students in the Howard County School System by setting **attainable goals** with tangible results, finding ways to **improve communication** between the students and the Board of Education, as well as improving the **mental health resources** available to students. This may seem ambitious, but I believe that the power of student voice is limitless.
