Inspire Young Voters is a new, non-partisan organization, focused on inspiring young people to be life long voters, with the goal to increase the active participation of all citizens in our democracy. Did you know that voters age 18-25 are least likely to vote? It's YOUR future that's being discussed and decided by elected officials; YOU should help choose them! We are currently seeking student volunteers to participate in our in-school voter registration and "get out the vote" campaigns, starting second semester. We are especially in need of students to write, act in, and produce informational and motivational videos for use in schools, on Howard GTV, and online platforms. Alpha Achievers, Delta Scholars, and Rho Kappa. Representatives will be at the December meeting to sign you up. If you just can't wait, contact Laura Mettle at ldmettle@yahoo.com for more information.

The Prudential Spirit of Community Awards program is the United States' largest youth recognition program based exclusively on volunteer community service.

Created in 1995 by Prudential and the National Association of Secondary School Principals (NASSP), the program honors middle level and high school students for outstanding service to others at the local, state and national level.

Thus far, it has recognized more than 140,000 young people who've made a difference – and inspired countless others to consider how they might contribute to their communities.

The Spirit of Community Awards program also honors youth volunteers in countries outside the U.S. where Prudential has a significant presence: Japan, Taiwan, Ireland, India, China and Brazil.

Are you a middle level or high school student making a difference through volunteering? Apply today for national recognition, a scholarship and an invitation to the program's national recognition events!

The Prudential Spirit of Community Awards honors students in grades 5-12 for making meaningful contributions to their communities through volunteer service.

Applications are now open for 2021 awards. Here's how it works:

- By **November 10, 2020**, students must submit their completed applications, and signed student/parent agreements, to a certifier. (Certifiers can be school principals or the head of a county 4-H organization, Girl Scout council, American Red Cross chapter, YMCA or a Points of Light Global Network member.)
- By **November 20, 2020**, certifiers select and certify top applicants for state level judging.
- On **February 9, 2021**, The Prudential Spirit of Community Awards announces state-level winners for 2021. <https://spirit.prudential.com/apply/2021>

Today we are beginning the search for more top youth volunteers in Maryland as we kick off the 26th year of our awards program. As in past years, we will be accepting applications from young Maryland residents in grades 5-12 who have volunteered in the past year – virtually or in person – through middle level and high schools, as well as through Girl Scout councils, county 4-H organizations, American Red Cross chapters, YMCAs and Points of Light's Global Network. Maryland's top middle level and high school youth volunteers for 2021 will be announced February 9 and earn scholarships, along with the top two applicants from every other state and the District of Columbia. Details can be found in the enclosed [news release](#) announcing the kickoff of the 2021 program in your state, and at spirit.prudential.com and nassp.org/spirit. If your office has any way of helping us spread the word in Maryland about this opportunity for young volunteers to be thanked and recognized for their wonderful work – through newsletters, websites, social media or any other means – we would greatly appreciate your assistance. We will notify you of your top honorees in February. The Prudential Spirit of Community Awards program, the nation's largest youth recognition program based exclusively on volunteer community service, has honored more than 140,000 youth volunteers over the past 25 years at the local, state and national level. We thank you for your support and look forward to recognizing more outstanding young Maryland students in the coming year. Sincerely, Charles F. Lowrey Chairman and CEO Prudential Financial

APPLICATION for the 2021-2022 STATE Student Member on the Board of Education (SMOB)

<https://mdstudentcouncils.org/index.php/student-member-on-the-board-of-education/>

Education Article §2-202 of the Maryland General Assembly Statute authorizes the appointment by the Governor of a student member of the Maryland State Board of Education. Approved in 1985 and amended in 2007, this legislation specifies that the Maryland Association of Student Councils (MASC) shall have the opportunity to nominate two students for the Governor's consideration. One of these nominees will be appointed by the Governor to serve a one-year term as the Student Member of the Maryland State Board of Education.

The responsibilities of this position are extensive, so students should read, research, talk to the current and former state SMOBs, and consider carefully.

Each public high school in Maryland is invited to nominate one student for this position. The student nominee must be regularly enrolled in a public high school, in good standing, and a junior or senior as of July 1, 2020.

Please carefully read the packet, observing the different deadlines and parts of the application.
